“Accept His Story today before you become history in the future.”

## History Book

*The Bible is the greatest History Book. It is the only book that starts before Creation and ends with eternity. It contains confirmed events, prophecies, and people from thousands of years ago. It records both the good and evil of mankind. It contains predictions that are happening today and details of future events that are more than just Science Fiction. But it is more than just a history book. It is a book about His Story.*

*We all like looking at old photographs, movies, and items relating to past people, things and events. We all enjoy holidays that celebrate and remember secular and religious history. We have all been to reenactments, restored places, museums, monuments, antique or flea markets. (I am really surprised the number of toys that I once played with, are now displayed as antiques.)*

*I really enjoy history shows on TV and human history documents. I like to explore what ordinary unknown individuals did to change a small portion of history. I like the human interest side of the past. I like local history so much that I was the chairman of the 2010 Mount Wolf Centennial celebrations and co-editor of the Mt Wolf history book. I also recently founded North Eastern York County History in Preservation or [NeyChip.com](http://NeyChip.com).*

*“And the Lord said unto Moses, Write this for a memorial in a book, and rehearse it in the ears...” Ex 17:14 God told Joshua “That this may be a sign among you, that when your children ask their fathers in time to come, saying, What mean ye by these stones?” Joshua 4:6 Jesus said “Do this in remembrance of me” Luke 22:19. “Write: for these words are true and faithful.” Rev 21:5*

*I am dating myself but I remember the show “This is Your Life” with Ralph Edwards. They would bring guests on and surprise them with people from their past. A second grade teacher would share how Johnny behaved. A college friend would share “the good times” they had with the guest.*

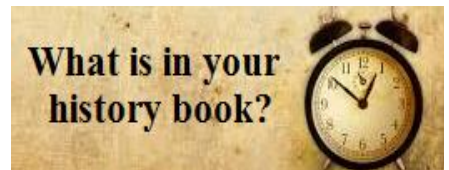

*I wonder what people would say about our past? I wonder what kind of history we are leaving. I know that many of us have things in our past that we do not want to remember. There were painful times, heart breaking times, and times that we did something evil. We wish these were not part of our history. But I hate to say it, “There are no do overs in human history.”*

*However, the His Story Book said “And their sins and iniquities will I remember no more.” Heb 10:17 “Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.” 2 Cor 5:17 “And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.” Rev 21:4*

*“The dead (those who did not accept Christ) were judged out of those things which were written in the books, according to their works.”  
Rev 20:12*
