

NEW HEART BEAT DEVOTIONS

“Ask not what God can do for you but ask what you can do for God.”

A New Heart Beat

*On April 30, 2014, I almost died. My heart beat was failing and I was rushed to the hospital. A special \$40,000 pacemaker, just FDA approved the month before, was implanted in me to give me a **new heart beat**. You can say I now run on batteries (see below). I was surprised at the number of heart operations they do a day and the number of people with pacemakers. I asked “What keeps the heart beating in a normal person?” The doctors, without faith, reply “It just does”.*

It is a fact that all our hearts will someday stop beating, even those with batteries. But if we could replace our hearts with new perfect ones, we could live forever. You say that’s not possible. But yes it is.

“The fool hath said in his heart there is no God.” Ps 53:1 “For from within, out of the heart of men, proceed evil thoughts” Mark 7:21 “A new heart also will I give you, and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you an heart of flesh.” Ez 36:26

*Our hearts are dying the minute we are born. Man can only temporarily keep it going, but God can give us a **new heart beat** and a **new life** that will last forever. Are you prepared for the time (not if but) when your heart stops beating?*

“That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.” Rom 10:9

See my
batteries>

These are my new heart beats. Left manmade, right God made. Do you have the one on the right? No operation or batteries needed. It is free for the asking and it is everlasting. John 3:16
