

NEW HEART BEAT DEVOTIONS

“Most know the story of Noah’s ark but like then, you have to believe to be saved.”

I Was On Noah’s Ark.

No not the real one but the life size recreation one in Williamstown. KY. It was taller than a 45 feet four-story building. The length of 450 feet is about 1.25 football fields long. The width was 75 feet. This makes the total volume of the Ark 1.5 million cubic feet or 17 Olympic size swimming pools. It was about half the size of the Titanic. Check out W VBS On-line Videos :[The Reality of Noah’s Ark](#).

Inside they had three floors each with interactive displays. They showed the different kinds of animals which numbered about 65,000. They ranged from bugs to baby dinosaurs, from birds to giraffes. They showed how Noah kept, feed and removed the animal waste. They showed the living quarters of Noah and his family and their daily routines.

They explained how the flood can be proven scientifically and showed the effects the flood had on the earth and atmosphere. They explained the generations and migration after the flood. They showed the records of a great flood in historical and other religious records.

It was truly an amazing, educational and spiritual experience. It is a must-see place. They did a lot of research from the Bible and other records on how things could have been done. We would be happy to share our pictures with you. But it would be better to visit their website: [arkencounter.com](#).

“And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth. And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.” Gen 6:12,13 “But as the days of Noah were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.” Matt 24:37-39

If God promised not to destroy the world again by a flood, then what do we need to be saved from? We need to be saved from an ocean or lake of fire. It will not come while we are alive but after we die. In this lake, we will burn forever with no escape. “And as it is appointed unto men once to die, but after this the judgment.” Heb 9:27 “And whosoever was not found written in the book of life was cast into the lake of fire.” Rev 20:15 9 “For God sent not His Son into the world to condemn the world; but that the world through Him might be saved.” John 3:17 “And they said, Believe on the Lord Jesus Christ, and thou shalt be saved.” Acts 16:31

Noah had to build an ark to be saved. However, you do not have to do anything but repent, receive and believe. In the King James Version, it states that God called Noah and his family into the ark through the only door (Gen 7.1). Today, God is calling you to come to Him through the only door which is Jesus Christ (John 10:1-9). I may not have been on the real Ark but my name is in the real Book of Life.

Charles L Stambaugh

Mt Wolf, PA 6/2018

“But Noah found grace in the eyes of the Lord.” Do you know for sure that you have grace in the eyes of the Lord? God is calling you to come into the ark.
