

# NEW HEART BEAT DEVOTIONS

## Till Death...

*Many people engrave their initials and wedding date inside their wedding rings. I have in my ring, "Till Death". My wife's reads: "Do Us Part." After over twenty-two years of marriage to each other, we have gone through rich and poor times as well as sickness and health. I got thick and she got thin. We had many ups and downs with agreements and disagreements. But through it all, we have grown closer together.*

*Many couples today cannot claim they have stayed with the same mate. The chances a couple will get divorced is getting close to the 70% mark. We had a neighbor that was divorced in less than a year. We know of relatives, friends, co-workers, church members and pastors that were divorced. We know of two Christian couples that just switched partners. Those that lose the most are the children.*

*Two shall be made one flesh. God can change you and your mate if you seek Him. Your marriage may not be problem free, but you can have heaven on your side.*

*"What therefore God hath joined together, let not man put asunder." Mark 10:9*
